MEMORIAL GRAVE MARKER FUNDRAISER

November 4, 2019

Dear Friends of the late John Robinson,

Our beloved John Robinson has been resting with the Lord since 2010. He served the Green Valley community for over 60 years and worked tirelessly for the betterment of our people. What better way to say thank you, than to donate toward his memorial marker at Pleasant Valley?

John did so much for the community and deserves to be honored with a marker on his grave. Pleasant Valley quoted a price of approximately \$3,500. We are asking all in the Green Valley / Arlington area to send a donation today and to share this information with your friends and congregations. Will you help?

A GoFundMe account (<https://www.gofundme.com/f/john-robinson-memorial-grave-marker-fund>) has been established in conjunction with Lomax A.M.E. Zion Church where John was a member. Lomax will collect, account for, and distribute the funds to the cemetery. If you wish to make a contribution by check, please send it to: Lomax A.M.E. Zion Church, 2704 South 24th Road, Arlington, VA 22206, attention: John Robinson Memorial Fund, with a notation of "John Robinson Memorial" on the memo line of your check. Any monies received over the amount of the memorial marker will be dedicated to a commemoration of John at the Town Square in Green Valley.

John loved the Lord and we know that he would be very grateful to know that people can visit his marked grave site at Pleasant Valley Memorial Park.

Thank you!
