

# NEWS BRIEF

GREEN VALLEY CIVIC ASSOCIATION

## SANTA'S COMING TO GV!

On Saturday, December 17 at 2 PM, Santa Claus will come to Green Valley! Come out and say hello as he rides through the community on a fire truck. A map of his route is below. It will take about one hour for him to cover the entire route, so plan accordingly. Please join us! The more, the merrier - let's give him a super GV welcome!

## Green Valley Pharmacy

GVCA learned that the county's Historic and Landmark Review Board would be addressing proposed changes to the Green Valley Pharmacy from an article in the *Sun Gazette*. The pharmacy has been an integral part of the GV community and GVCA has weighed in on its historic significance in the past. To not seek guidance from GVCA on this matter was negligent and disrespectful. After some communication, the county agreed to defer this agenda item. Links to the *Sun Gazette* articles are posted below. GVCA will discuss this matter at its January 2022 meeting.

## RESULTS!

GVCA has been working with Arlington county on planting new trees on South 20th. Beautiful new trees are now on both sides of the street!

## WHAT'S THIS?

In the last edition of GVCA News Brief, we asked who could identify this structure being built in Jennie Dean Park. No one guessed correctly. This will become a swing set!
