

NEWS BRIEF

GREEN VALLEY CIVIC ASSOCIATION

WATER, PLEASE!

At the request of GVCA, Arlington county has planted more than a dozen new trees along South 20th and South Four Mile Run Drive. We have learned the county doesn't have the resources to water these babies properly!

Please do a good deed this summer and water the trees near you!

BUZZ ON SHIRLINGTON RD

Arlington county broke ground on the ART Bus Maintenance and Operations facility on June 15, 2022. A *Sun Gazette* article captured the event: <https://sungazette.news/new-art-facility-heralds-new-day-but-concerns-linger/>

The county board approved plans for a GVCA-supported, residential building at 2608 Shirlington Road on June 18, 2022.

Road Work

Beginning the week of July 11th, more road work is scheduled for the Green Valley bridge at Shirlington Road. This is the last phase of the bridge repair with the laying of epoxy and road striping. One lane will be closed in each direction for the duration of the project. The sidewalk is expected to remain open.

Mark your Calendar

Lots of fun events coming up in Green Valley! All are welcome to join in the festivities. Volunteers to help plan and work the events are encouraged too.

Green Valley Annual Antique & Classic **Car Show** - Saturday, July 23 from noon to 5 PM at Dr. Charles R. Drew Elementary School

Planting Seeds **Story Time** - Tuesday, July 26 at 5 PM in John Robinson Jr. Town Square

National **Night Out** - Tuesday, August 2 in John Robinson Jr. Town Square

Green Valley Day - Saturday, September 17. Mia Gray is chairing the event this year.
